Outline

1 First section

Outline

- 1 First section
- 2 Second section
 - First subsection

First section

The context goes here. 你好, Beamer!!First section

这是一个空白帧，没有标题。
你好，First subsection

Third section

你好 , Third section.

无序列表 itemize 示例

- The first item
- The second item
- The third item
- The fourth item

有序列表 enumerate 示例

- ① The first item
- ② The second item
- ③ The third item
- ④ The fourth item

描述列表 description 示例

First Item Description of first item

Second Item Description of second item

Third Item Description of third item

Forth Item Description of forth item

公式

$$\frac{-b \pm \sqrt{b^2 - 4ac}}{2a} \quad (1)$$

$$\begin{aligned} z &= (a + b)^4 = (a + b)^2(a + b)^2 \\ &= (a^2 + 2ab + b^2)(a^2 + 2ab + b^2) \\ &= a^4 + 4a^3b + 6a^2b^2 + 4ab^3 + b^4 \end{aligned} \quad (2)$$
